DEFENDER STYLING

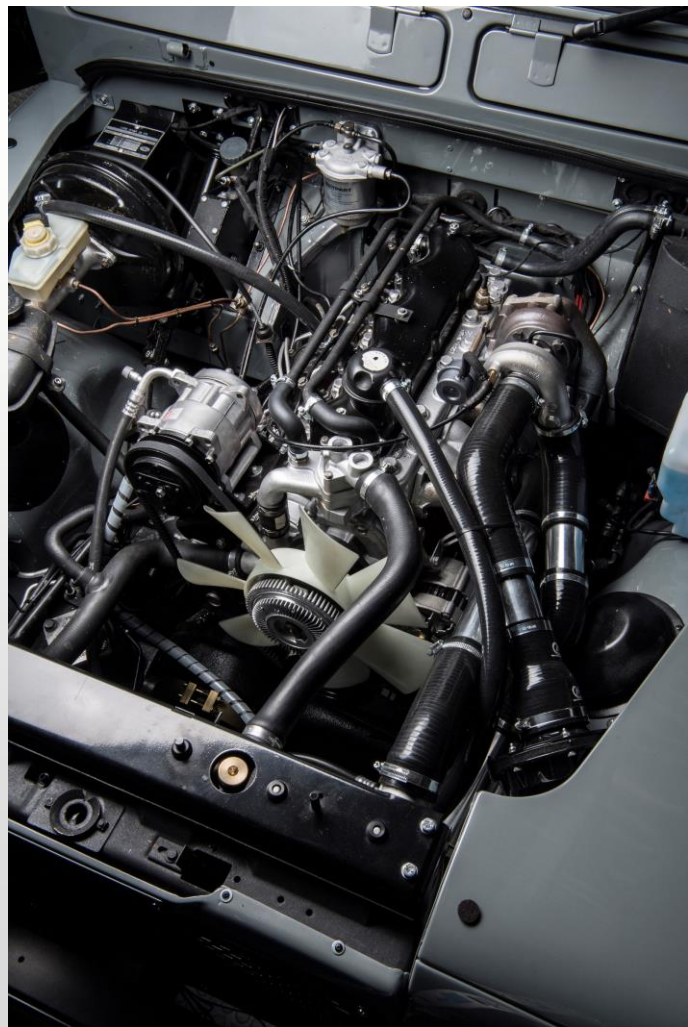

- You have a significant number of options available to you – that's the joy of rebuilding this classic beauty from your own dreams and imagination
- We can assist with our technical guidance and experience – we can test products and ensure you get what's right for you, your Defender and your investment

HERITAGE

HERITAGE AND PROVENANCE

- We can help you trace your vehicle history from the manufacturer
- We can help with obtaining your vehicles very own heritage documents – a great touch for adding value to your investment
 - We can assist in obtaining certified copies of your Defenders original factory ledger; this will show your Defenders original specification from the factory
 - The details are authentic historical records and available for Land Rover Defenders

CONCOURSE QUALITY

CONCOURS QUALITY FINISH

- Prize winning investment: concours vehicles are definitely high-value
- Our experienced Technicians are Jaguar Land Rover trained and Defender enthusiasts
- All our work is prided on authenticity and quality
